| | NEURATRON PHOTOSCORE ULTIMATE 6 BUNDLE | PhotoScore Ultimate 6 full version, special offer bundle price for Sibelius owners. Serial number of Sibelius required | 6.x | 250.-- |
| PPCEO6-BUN PPCGO6-BUN | | English software & english manual German Software & german manual soon | | |
| | NEURATRON AUDIOSCORE ULTIMATE 6 | AudioScore Professional the world's leading audio recognition software. Allows quickly and easily to create scores by playing or singing into your computer via a microphone or MIDI keyboard. The software uses highly sophisticated pitch recognition techniques to produce high-quality notation and layout from your performance, no need to be able to write notation to use it. Once you've created a score from your performance, you can transfer it to Sibelius or another piece of music software to edit it further. | | 300.-- |
| ASWEO6 | | English software & english manual | | |
| | NEURATRON AUDIOSCORE ULTIMATE 6 BUNDLE | AudioScore Professional full version. Special offer bundle price for Sibelius owners. | | 190.-- |
| ASWEO6-BUN | | English software & english manual | | |
| ROCEO1 | ROCK & POP COLLECTION FOR SIBELIUS 5.x | The Rock and Pop Collection contains 108 pitched instruments plus 20 drum kits (featuring a vast range of percussion sounds from Disco to World Music), of which you can play up to 32 at once. It includes all the sounds you'll need to write rock and pop music – from guitars, keyboards and drums to horns, strings, and even a Hammond B3 organ. | | 330.-- |
| CHCEO2 | CHORAL | The collection, which integrates seamlessly with Sibelius 6, includes solo and ensemble sounds for soprano, alto, tenor and bass, with multiple vowel sounds for each, plus organ and piano sounds, all in stunningly realistic quality. The included Kontakt Player 2, from Native Instruments, has a host of adjustable settings so you can get just the sound you're looking for. You can even export an audio file to create a CD of your music, or convert to an MP3 file. | | 170.-- |
| TA-VDL2 | TABSPACE VIRTUAL DRUMLINE | Pitched and unpitched percussion sounds for marching band music, from Tapspace. The world's most powerful, complete marching battery and concert percussion sample library ever recorded. In addition to new, vastly improved recordings of the drumline battery instruments, Virtual Drumline™ 2 also provides a seemingly infinite array of concert and pit percussion sounds. Expanded mallet choices, multi-layered velocities, pitch control, automatic hand alternating (if chosen), and tons of other creative tools are available. | | 290.-- |
